

THE EAGLE

By Room 3

The Eagle

I saw the eagle zooming so fast it made lines of clouds.

I saw it was holding a mouse

I felt sad because I thought it was its first time flying.

I felt happy because it got something to eat for energy.

I wonder if it will get shot.

I wonder if it is going to fly.

I heard the eagle squawking.

I heard the eagle flapping its wings.

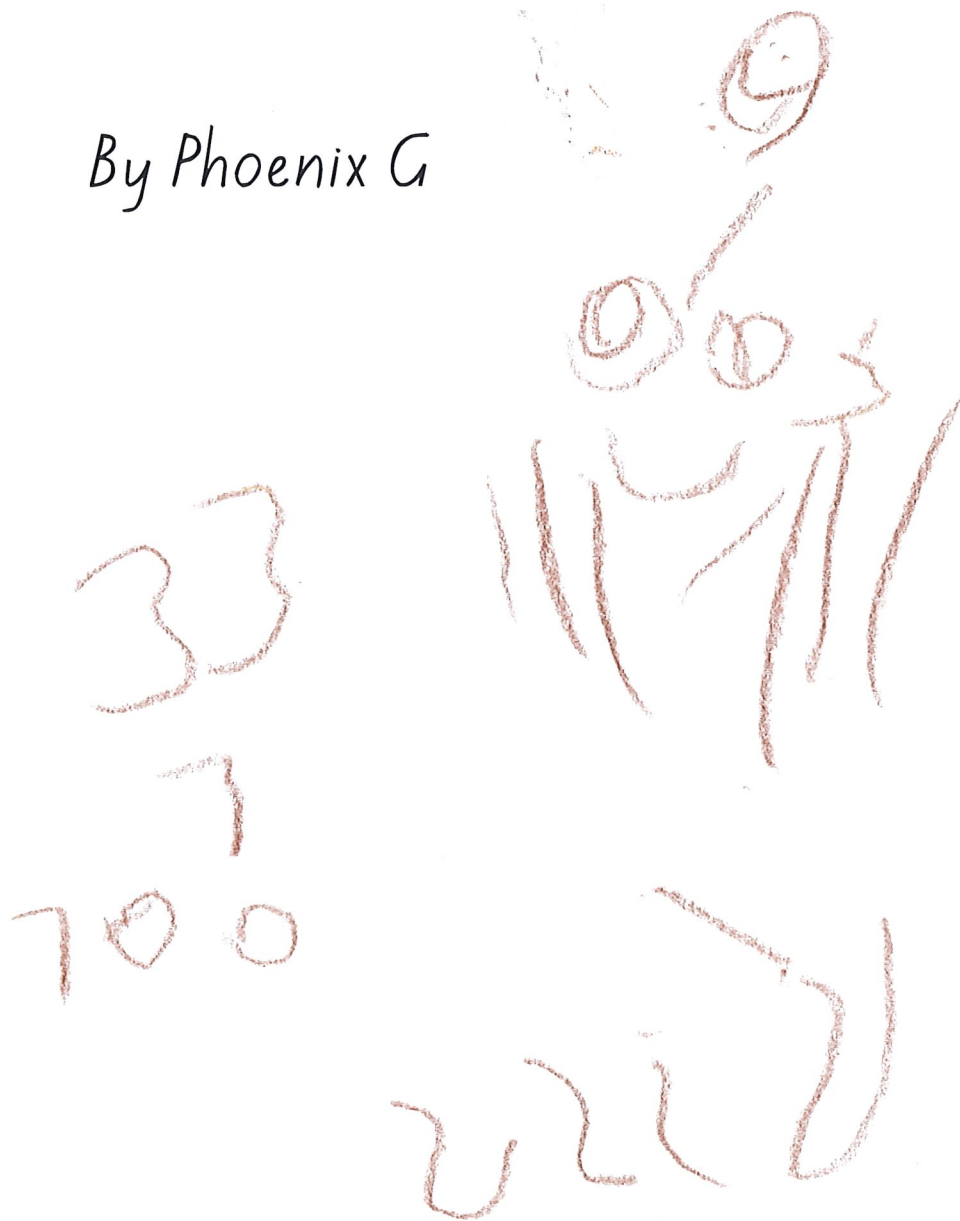

By Acacia

THE EAGLE

The eagle goes at speed. The eagle falls
down on the plane. He is going to break the
house.

By Phoenix G

THE EAGLE

The eagle is flying. It was on fire. It was going down. The eagle is going to his home. The eagle was going to get his family.

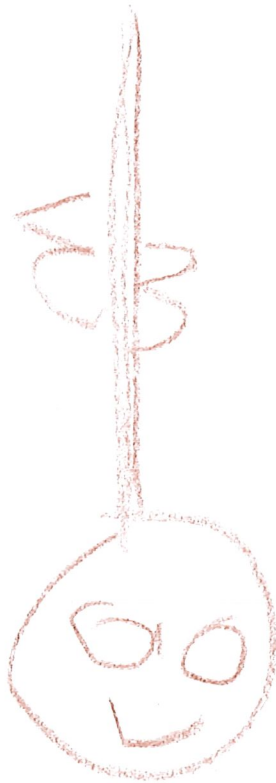

By Tristan

THE EAGLE

The eagle is speeding to the ground. It might die. The eagle might crash into the tree.

By Phoenix E

The eagle

I saw a path behind the eagle. I heard a **whiss** sound from the eagle. I wonder if she diving for fish. I heard a yipee noise. I saw something is the claw. I wonder if it's going to get shot. I felt sad because I'm scared that it is going to hurt someone. I felt happy because it was diving for food to survive.

By Lily.

The eagle

I saw the eagle flying in the air.

I saw the eagle flying down.

I heard the eagle hunting for food.

I heard the eagle flapping its wings.

I felt happy because it was flying on his side.

I felt surprised because the eagle has smoke at the back.

I wonder if the eagle would hunt for food.

I wonder if the eagle would get shot by a random person and it his first time flying.

By Jalyssa

THE EAGLE

The eagle is doing a trick and it is doing a little spin. It is going to do a back flip and it has smoke coming out of its claws.

By Shakaia

The eagle

I heard the eagle squawking.

I heard the eagle say whee!

I saw the eagle have a mouse in it's claw!

I saw the eagle flying in the air!

I felt happy because it has got food!

I felt sad because the mouse is dead!

I wonder why it is flying sideways!

I wonder if it's going to get fish!

By Elijah

The eagle

I heard the eagle zooming in the sky.

I heard the wind blowing the eagle.

I saw the eagle making clouds from his claws.

I saw the eagle turning.

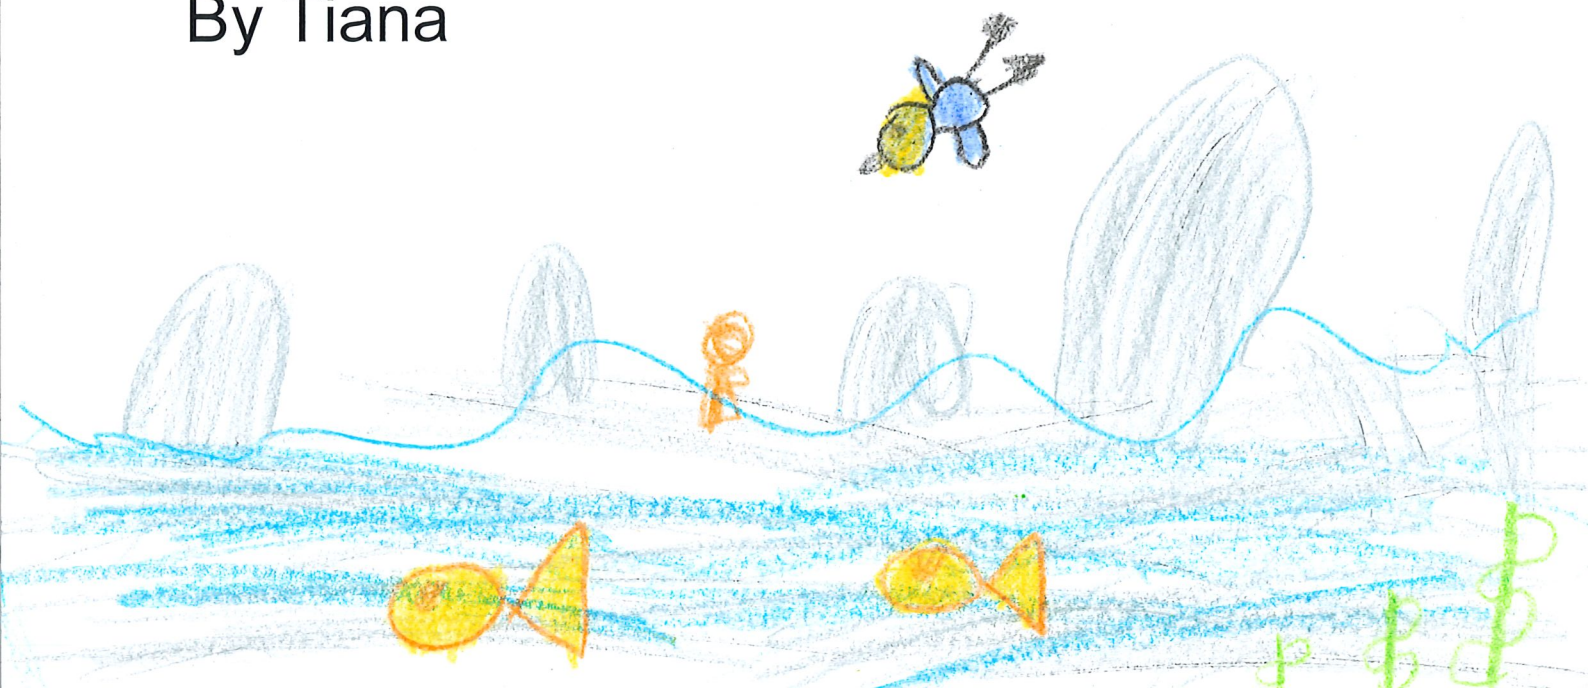

I felt weird because how is it turning.

I felt scared because someone might kill the eagle.

I wonder if the eagle is going to the sea or it's nest.

I wonder if the eagle is going to get some fish.

By Tiana

The Eagle

I saw the eagle had something in its claw.

I saw the eagle zoom past.

I heard the eagle squawk as it was flying.

I heard the eagles wings flapping.

I felt happy because it might be its first time flying.

I felt sad because the mouse is dead.

I wonder if it is a mouse.

I wonder if it is going to eat the mouse.

By Alexa

The Eagle

I heard the eagle flying.

I heard the eagle soaring.

I saw the eagle soaring.

I saw the eagle flying.

I felt surprised that the eagle was flying.

I felt scared that the eagle was by me.

I wonder if the eagle is a going to get shot.

I wonder if the eagle is at a pond.

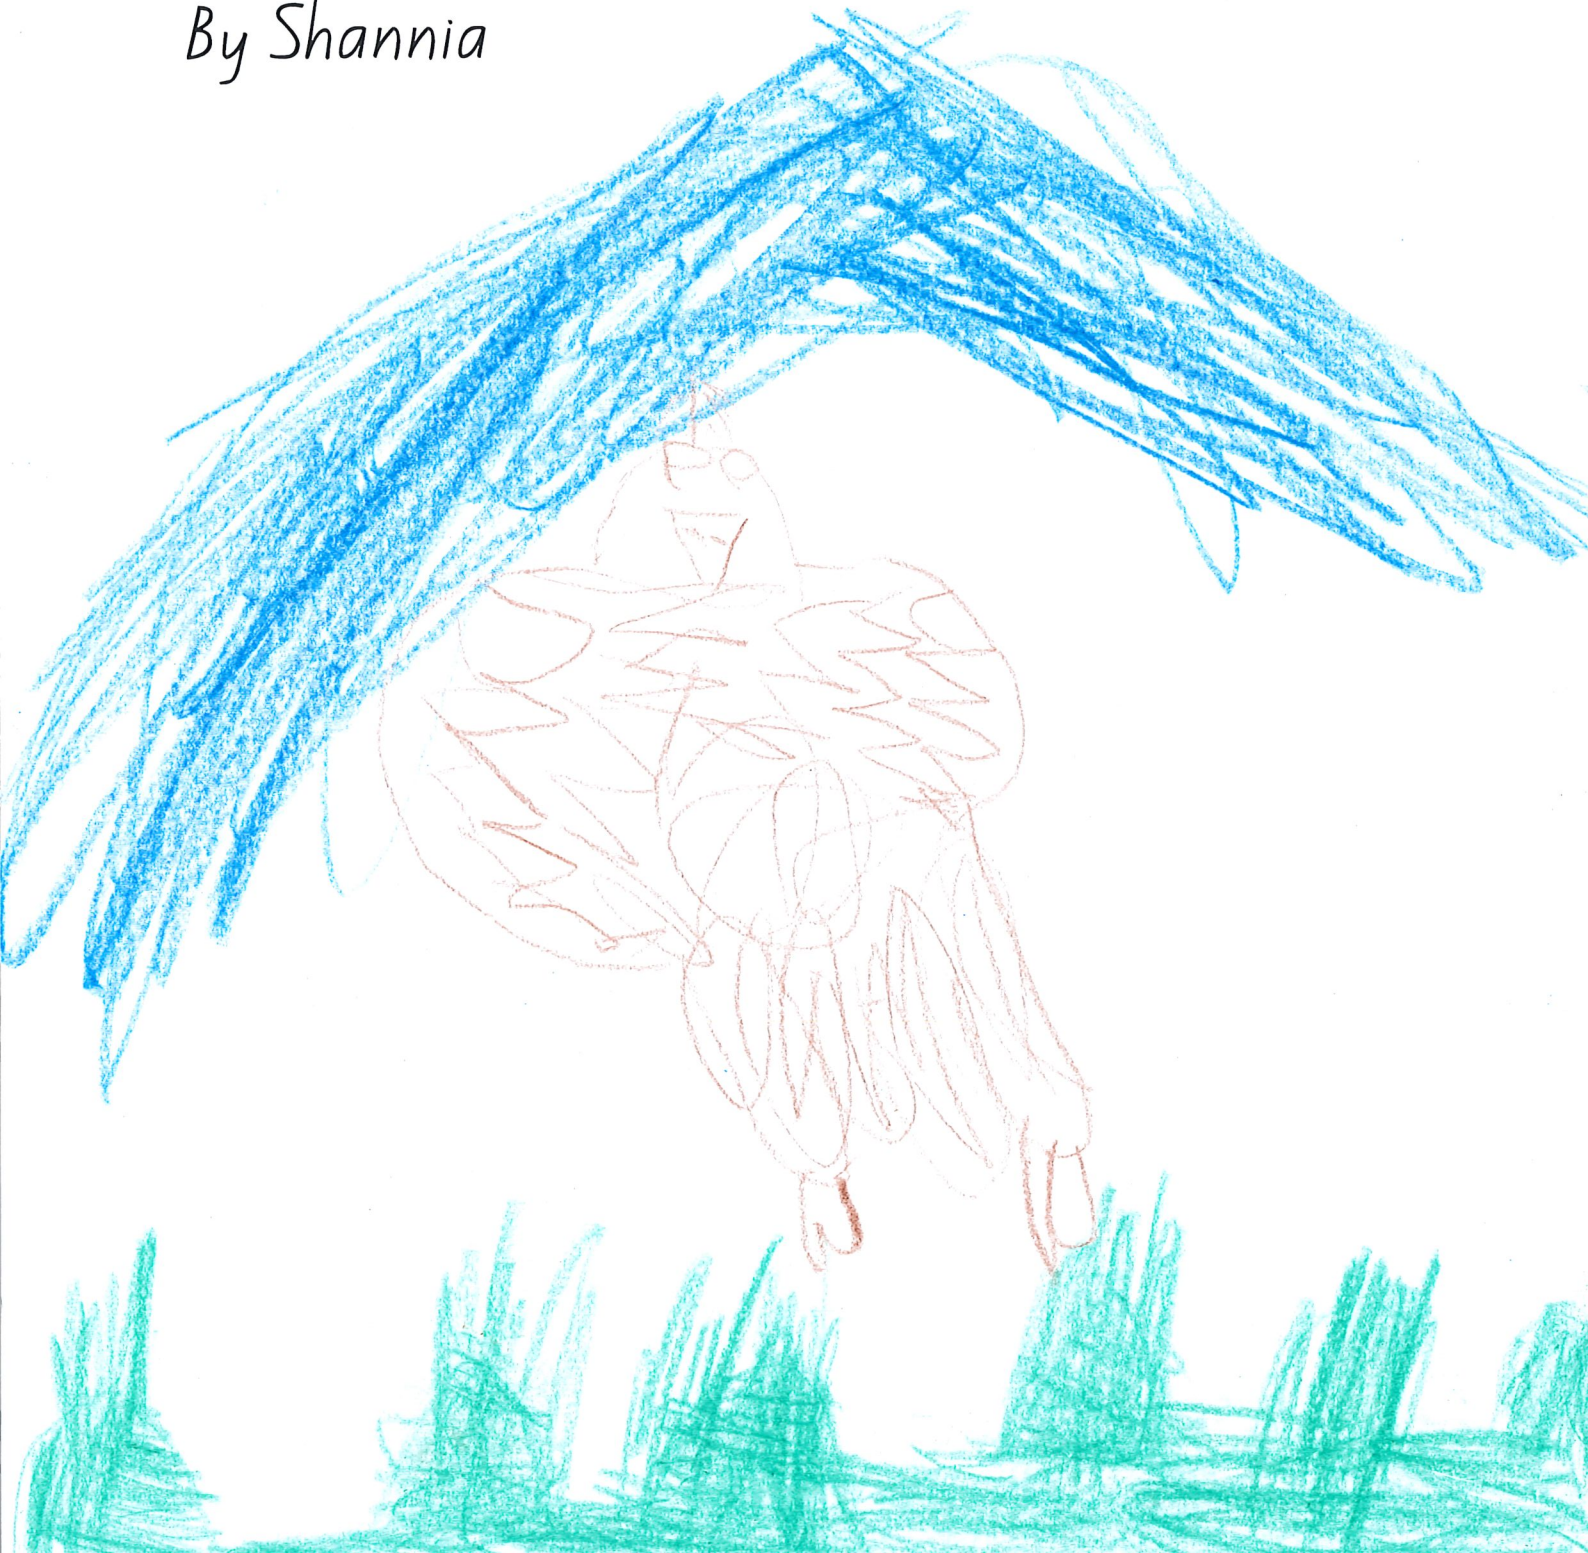

By Killian

THE EAGLE

*The bird flies with its wings. They are big.
It had something in its claws.*

By Shannia

The eagle

I heard the eagle zooming in the sky.

I heard the eagle swooshing in the sky.

I saw the eagle's wings were like two little mountains in the middle of them.

I saw the eagle zooming through the air.

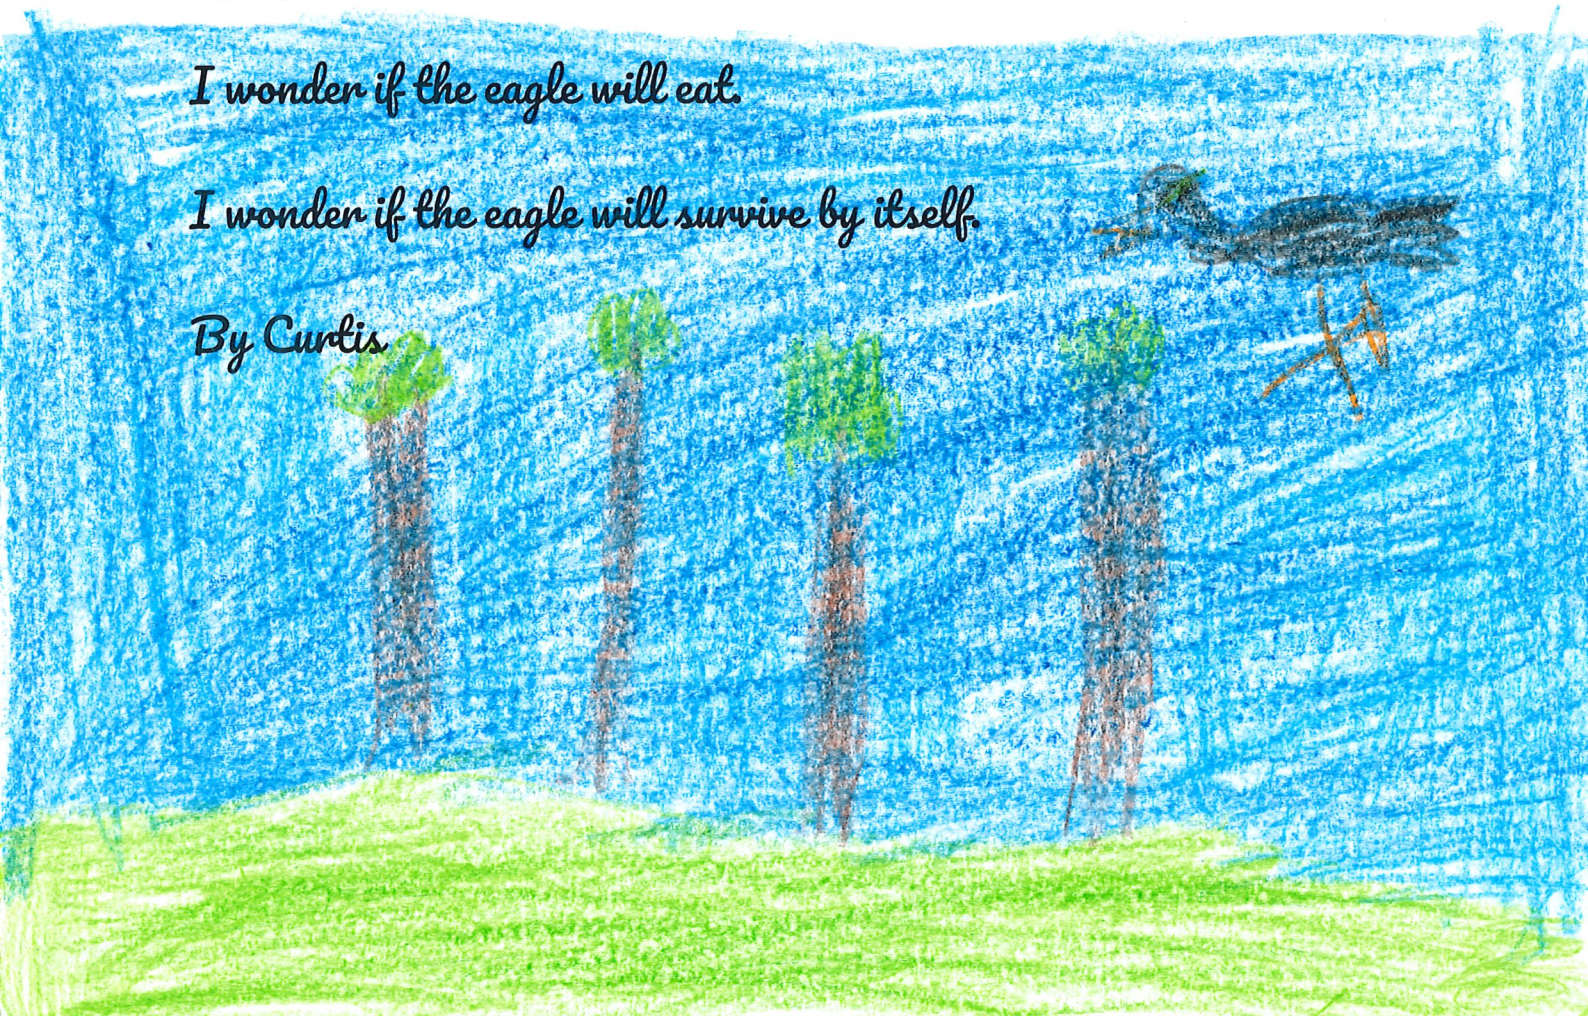

I felt worried for the eagle because it might die.

I felt happy because the eagle was staying in the air while it was flying.

I wonder if the eagle will eat.

I wonder if the eagle will survive by itself.

By Curtis

The eagle

I heard the wind blowing the eagle so it could fly.

I heard the eagle flap its wings.

I saw the eagle flying.

I saw the eagle flapping its wings.

I wonder if the eagle is going to get shot.

I wonder if the eagle will die.

I felt excited when the eagle was flying.

I felt worried because I thought that the eagle was going to die.

By Simu.

THE EAGLE

The eagle was flying and it was touching his beak. It was flying and is was going down.

By Quinn

The eagle

I heard the eagle flying down.

I heard the eagle saying whoo-hoo.

I saw the eagle flying on his side.

I saw the eagle swooshing smoke when the eagle was flying in the sky.

I felt happy because I think that it was his first time flying.

I felt weird because the eagle was flying on his side.

I wonder if the eagle will get shot.

I wonder if the eagle will bang his head on the ground.

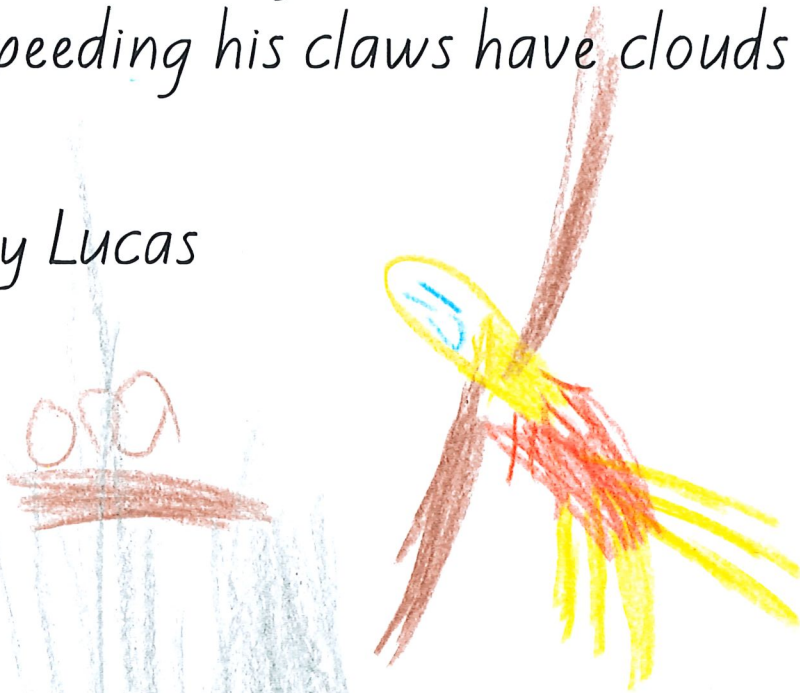

By Capri

THE EAGLE

The eagle is speeding but it's on fire and I think the eagle is ok. When the eagle is speeding his claws have clouds in them.

By Lucas

THE EAGLE

The eagle has fire in his tummy. There is birds chasing him. He is going home. The eagle was going to a different town. The bird is cross.

By Kyryn

The Eagle

I saw the eagle flying in the sky.

I saw the eagle hunting.

I wonder if the eagle will get some good food.

I wonder if the will be safe.

I heard the eagle flapping in the sky.

I heard the eagle making some noise.

I felt the eagle is soft.

I felt the eagle got shot by someone.

By Quaysjahn

THE EAGLE

The eagle flew down to the building. The eagle is on fire. It crashed into a plane.

By Kayden

THE EAGLE

The eagle is zooming her wings to get some speed and when the eagle gets some speed it makes some clouds. The eagle has a big beak. The eagle closes her wings so she can go faster. The eagle has a snail in its claws.

By Nevaeh

THE EAGLE

The eagle is diving down so he can go to the ground. The eagle is putting his wings out.

By Anthony

The eagle

I heard the eagle making a loud noise from its mouth.

I heard the eagle making a noise from its wings.

I saw the eagle flying around.

I saw the eagle flying sideways.

I felt the wind blowing the eagle.

I felt the eagle in the sky.

I wonder if it was trying to find some food.

I wonder if the eagle is still alive.

Nate
