**Reading Log**  
*Please write the names of the books you have read in here*

**Hands-On**  
As part of our kiwiana unit, we have briefly looked at the symbolism of number 8 wire in shaping our kiwiana culture. Your hands-on task today is to show some classic kiwi ingenuity and using whatever you find at home (you are not allowed to buy things specifically for this task!!) build something to bring to class and share with everyone.
